## HISTORY

*The term "Grinder" can be traced back to the East Coast, where during  
WW1, Italian immigrants set up sandwich shops close to the shipyards.  
Their freshly baked Italian rolls were filled with generous amounts of  
meats, cheeses and were baked and garnished with lettuce and tomatoes.  
These super-sized sandwiches were a favorite of the hard working men  
who ground off rivets on the old metal warships. The friendly shop  
owners referred to these men as "Grinders" and their ever popular  
sandwiches also came to be known as "Grinders."*

Mancino's Pizza & Grinders shops were established in 1959 by  
Samuel Sr. and Marion Mancino in St. Claire Shores, Michigan.  
The original concept is still prevalent in all the Mancino shops  
today. The original recipes and good customer relations have  
never changed.

The Mancino's and Bella Creamery teams insist on providing  
products which are high in quality generous in portions and  
superior in freshness. We will never compromise our quality for  
any gimmick or profit.

Mancino's and Bella Creamery are locally owned and operated.
